

WMMTA Spring Scholarship Auditions

Frances A. Wallingford Memorial Piano Pedagogy Scholarship

Video Guidelines for Collegiate Scholarship

- submit a 20 minute teaching video link-it is suggested you use YouTube or another easily accessed source-the committee will not be at fault if they cannot access your video
- include two or more contrasting subjects; for example, 1. scales and chords, 2. repertoire
- you may teach either a group lesson or an individual lesson, at the level of your choice
- in your video, make sure both you and your students are clearly visible and audible at the piano and during any other activities
- along with your video, submit your teaching plan, including materials used, age and level of student(s), length of study overall, and length of study with you
