Rules for Concerto Audition, continued

5. Students may play any repertoire, but must compete in their own school grade level. Students must play repertoire that is listed in their division or a higher division in order to win. Students may play repertoire at a lower level for evaluation only.
6. Traditionally, three entries from each of the three competition levels will be selected as finalists.
7. Honorable Mention awards will be given at the judges' discretion. Students performing for comments only are eligible for Honorable Mention.
8. A first place winner will be chosen from these levels:
Elementary B; Intermediate and High School.
(Elementary A will not compete, but plays for comments only)
9. The winner of the High School division will be named the overall winner and will perform with the Friends University Community Orchestra on their spring concert.
10. First place winners may not compete again for awards until they are eligible for the next division. They may play for comments.
11. **WMMTA policy:** WMMTA will pay up to \$400.00 for rental or purchase, whichever is the lesser cost, of orchestral parts for the high school winner's performance. **Any rental or purchase cost in excess of \$400.00 is the responsibility of the winner and/or his/her parents or guardian.**
12. It is the responsibility of the entrant to check the posted results of the preliminary auditions and to be present for the final audition if he/she is a finalist.
13. Teachers of the winning finalists form the Concerto Audition Committee for the following year. Traditionally, the teacher of the high school winner serves as chair.
