Rules for the 2020 Concerto Auditions

- The teacher must be a resident of the Wichita metropolitan area. Collegiate MTNA members may enter students in the Concerto audition.
- Students of the Auditions committee are eligible for awards.
- Students must furnish their own accompanists and a copy of the music for the judge.
- Students may play repertoire which is not on the list or is out of print. The teacher must contact the committee chair for approval.

Rules for Concerto Audition, continued

- Students may play any repertoire, but must compete in their own school grade level. Students must play repertoire that is listed in their division or a higher division in order to win. Students may play repertoire at a lower level for evaluation only.
- Traditionally, three entries from each of the three competition levels will be selected as finalists.
- Honorable Mention awards will be given at the judges' discretion. Students performing for comments only are eligible for Honorable Mention.
- A first place winner will be chosen from these levels:
Elementary B; Intermediate and High School.
(Elementary A will not compete, but plays for comments only)
- The winner of the High School division will be named the overall winner and will perform with the Friends University Community Orchestra on their spring concert.
- First place winners may not compete again for awards until they are eligible for the next division. They may play for comments.
- **WMMTA policy:** WMMTA will pay up to \$400.00 for rental or purchase, whichever ever is the lesser cost, of orchestral parts for the high school winner's performance. **Any rental or purchase cost in excess of \$400.00 is the responsibility of the winner and/or his/her parents or guardian.**
- It is the responsibility of the entrant to check the posted results of the preliminary auditions and to be present for the final audition if he/she is a finalist.
- Teachers of the winning finalists form the Concerto Audition Committee for the following year. Traditionally, the teacher of the high school winner serves as chair.
- Teachers of auditioning students will be expected to work at registration and as monitors on audition day.
